

# IZVESTIYA VUZOV. SEVERO-KAVKAZSKII REGION

Reg. No. 011019

Of the Committee of the Press of the Russian Federation

Scientifically educational and applied magazine

Was founded in 1973.

Period is 6 numbers per a year

№ 4 (182) 2014.

## NATURAL SCIENCE

### CONTENTS

|                              |                                                                                                                                                                            |
|------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>MATHEMATICS</b>           | <i>Erusalimskiy Ya.M., Kulikovskiy A.E.</i> About Dynamic Flow Bursts and Minimum Cuts..... 5                                                                              |
|                              | <i>Shumafov M.M.</i> Stabilization of Linear Time-Invariant Controllable Systems of the Second Order by Delay Output Feedback..... 9                                       |
| <b>MECHANICS</b>             | <i>Vatulyan A.O., Lyapin A.A., Svyatko Y.A.</i> On the Vibrations of Functionally Graded Poroelastic Columns..... 12                                                       |
|                              | <i>Pozharskiy D.A., Bedoidze M.V.</i> Contact Problem for an Inhomogeneous Elastic Half-Space ..... 17                                                                     |
| <b>PHYSICS</b>               | <i>Akopov A.A.</i> Study of the Raman Amplification Parameters in Photonic Crystals ..... 20                                                                               |
|                              | <i>Aref'Eva L.P.</i> Estimation of the Interface Energy of Transitional Metals in Case of Elastic Deformation ..... 23                                                     |
|                              | <i>Kanonidi Kh.D., Ruzhin Yu.Ya.</i> New Types of Geomagnetic Disturbances ..... 26                                                                                        |
|                              | <i>Nartikoev P.S., Perepyelkin V.V., Vou Viet Choung</i> Dynamic Analysis of the Earth Pole Oscillatory Process in a Short Time Interval ..... 30                          |
| <b>BIOLOGICAL SCIENCE</b>    | <i>Mirzoev E.M.-R., Magomedov I.A., Mirzoeva K.E.</i> Application of Soil Capacitor to Create a Forest and Shrubby Tree Plantations ..... 37                               |
|                              | <i>Shalamanov D.I., Ivanisova N.V., Kurinskaya L.V.</i> Biodiversity and State of Shrubby Flora in Urban Landscapes of the Steppe Zone of the Low Don..... 40              |
| <b>AGRICULTURAL SCIENCE</b>  | <i>Veprikov Yu.V.</i> Study of the Impact of Irrigation Technology by Small Norms on Improving the Soil Structure..... 46                                                  |
|                              | <i>Viaisenen G.N., Tokar A.I., Viaisenen A.G., Mirgorodsky G.G.</i> An Intensive Rearing of Chickens-Broilers in the Industrial Complex ..... 53                           |
|                              | <i>Krasnov I.N., Kravchenko I.A., Bondareva M.A., Semochkina E.M.</i> Preparation of Grain for Winter Crops in Arid Conditions ..... 58                                    |
| <b>GEOLOGY AND GEOGRAPHY</b> | <i>Borodin E.V.</i> Analysis of Spatial Distribution of Oceanic Eddies in South Pacific..... 62                                                                            |
|                              | <i>Petrenko N.N.</i> About the Influence of Phase Transitions of Water for the Development of Gas Fields with Increased and High Reservoir Temperature..... 67             |
| <b>ECOLOGY</b>               | <i>Zakrutkin V.E., Sklyarenko G.Yu., Gibkov E.V.</i> The Chemical Composition and Degree of Groundwater Contamination in Coal-Mining Areas of the Eastern Donbass ..... 73 |
|                              | <i>Kuren S.G., Nikolenko G.V., Mul A.P., Ryabikh G.Yu., Valyavin V.Yu., Sokol N.A.</i> Models for Air and Water Pollution..... 78                                          |

|                        |                                                                                                                                                                                                                                      |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>MEDICINE</b>        | <b><i>Dimitriadi S.N.</i></b> New Opportunities of Performing of Laparoscopic Partial Nephrectomy in Patients with Renal Cell Carcinoma Involving Pelvicaliceal System..... 82                                                       |
|                        | <b><i>Levkovich M.A., Andreeva V.O., Bilim M.V.</i></b> Role of Innate Immune System Factors in the Genesis of Oligomenorea in Obesity in Adolescent Girls ..... 86                                                                  |
|                        | <b><i>Nefedov V.I., Chumburidze I.P., Shtillman M., Yavruyan O.A.</i></b> Vacuum-Assisted Treatment of Patients with Diabetic Foot Syndrome ..... 91                                                                                 |
|                        | <b><i>Yudin S.A.</i></b> About Interaction between Phthisiologists and Therapists of General Medical Network in the Evaluation of Patients Taken Dispensary in Tuberculosis Facilities..... 94                                       |
| <b>SCIENTIFIC LIFE</b> | <b><i>Karapetyants A.N., Samko S.G.</i></b> IV International Scientific Conference «Modern Methods and Problems in Operator Theory and Harmonic Analysis and Their Applications IV» (Rostov-on-Don, April 27 – May 1, 2014) ..... 98 |
|                        | <b><i>Vatulyan A.O., Kurbatova N.V.</i></b> 9th Workshop «Mathematical Modeling and Biomechanics in the Modern University» (Divnomorskoe, May 26 – 30, 2014))..... 99                                                                |
